CITY COUNCIL INFORMATIONAL MEMORANDUM

Date: October 24, 2024

To: Cupertino City Council

From: Jonathan Orozco, Finance Manager

Re: Receive the Monthly Treasurer's Report for September 2024

Background

California Government Code Section 41004 states:

Regularly, at least once each month, the city treasurer shall submit to the city clerk a written report and accounting of all receipts, disbursements, and fund balances. The city treasurer shall file a copy with the legislative body.

The City's Municipal Code Section 2.24.030 Monthly Reports states:

The Treasurer shall make monthly reports which conform to the requirements of Government Code Section 41004. Said reports shall be delivered to the City Council, the City Manager and made available for review by such other persons who may so request.

The Treasurer's Report (report and accounting of all receipts, disbursements, and fund balances) is made available to City Council in compliance with the aforementioned requirements.

Cash vs. Accrual Basis Accounting

Cash basis accounting and accrual basis accounting differ in the way revenues and expenses are recognized and recorded, primarily with regard to their timing.

Under cash basis accounting, revenues are recorded when payment is received, and expenses are recorded when payment is made. This method of accounting recognizes transactions only when cash changes hands. In contrast, accrual basis accounting recognizes revenues when they are earned (but not necessarily received) and expenses when they are incurred (but not necessarily paid). This method of accounting recognizes transactions as they occur, regardless of whether cash has been exchanged.

Receipts, disbursements, and cash balance are measured on a cash basis. The cash balance shows the total cash and investments in the City's accounts. The ending balance is the beginning balance plus receipts minus disbursements. Journal adjustments generally include transactions recorded in other systems and imported into New World, Councilapproved budget adjustments, quarterly Cost Allocation Plan (CAP) charges, and quarterly interest earnings.

Revenues, expenditures, and fund balance are measured on an accrual basis. As a result, the amount in fund balance does not mean the City has that much cash on hand. Instead, fund balance is the difference between assets and liabilities. The ending balance is the beginning balance plus revenues minus expenditures.

Treasurer's Report

The report provides an update on the City's cash and fund balances for September 2024. The report is as of October 8, 2024.

Note: Beginning balances have been updated to account for any final adjustments made as part of the month-end close that could not be completed before the prior report's preparation. These adjustments were necessary due to time constraints associated with both completing the month-end close process and generating the report.

Receipts, Disbursements, and Cash Balance

The City's General Fund ending cash and investment balance was \$163.1 million, decreasing by \$1.6 million from the prior month. Receipts were \$5.0 million, disbursements were \$(6.7) million, and journal adjustments were \$65,310 for the month.

The City's total ending cash and investment balance was \$262.6 million, decreasing by \$2.1 million from the prior month. Receipts were \$6.2 million, disbursements were \$(8.6) million, and journal adjustments were \$234,979 for the month.

Journal adjustments included the following:

 Parks and Recreation transactions imported from Active Network into New World

CalPERS UAL payment

Fund Balance/Net Position

The City's General Fund ending fund balance was \$129.2 million, decreasing by \$5.9 million from the prior month due to revenues of \$1.8 million and expenditures of \$7.6 million.

The City's total ending fund balance was \$227.3 million, decreasing by \$6.7 million from the prior month due to revenues of \$2.5 million and expenditures of \$9.3 million.

Sustainability Impact

No sustainability impact.

Fiscal Impact

No fiscal impact.

California Environmental Quality Act

Not applicable.
