Join the Conversation: City Council to Consider Business License Tax Restructuring

Cupertino City Council is looking for ways in which to fund transportation projects to alleviate traffic congestion and to provide affordable housing options.

As a local business owner it is extremely important you join the conversation to discuss how this may potentially affect your business.

You and your company representatives are invited to attend a **Business License Tax Forum** on:

Date: Monday, June 18, 2018

Time: 10:00am-12:00 Noon

Location: Cupertino Senior Center (Fountain Room), located at 21251 Stevens Creek Blvd.

Local businesses strengthen the city's economic vitality and are an essential part of our Cupertino community. We appreciate your support and look forward to working together on a solution for our community.

For more information, please contact Deputy City Manager Jaqui Guzman at (408) 777-1322 or jacquelineg@cupertino.org.

The Cupertino Library is Making Changes

The Cupertino Library is planning to re-purpose a small room on the second floor to be used as a community meeting room. The meeting room will accommodate up to 12 people in different layout configurations. Library staff needs your input to make the room as useful and flexible to your needs as possible.

Please take this short survey by Monday, June 18: <https://www.surveymonkey.com/r/F3TZKJC>

Electric Vehicle Charging Made Easy: Free Services for Apartment Complexes

Electric vehicles are growing rapidly in the region but EV charging can be a daunting task for apartment complex managers and owners. Come learn about how to prepare your facilities for the growing demand for EV-ready homes.

Peninsula Clean Energy (PCE), San Mateo County's official electricity provider, wants to make it easier for multifamily property owners to become EV-ready for their tenants. PCE is offering technical assistance including free site electrical assessments, guidance on apartment policies and linkages to existing resources for EV charger installations.

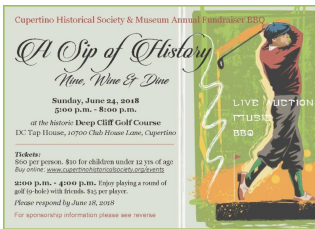

Attend this workshop to learn everything you need to know about installing EV charging stations and how you can take advantage of PCE's free consulting:

Date: Thursday, June 21, 2018

Time: 10:00am-11:30am

Location: Peninsula Clean Energy Office, located at 2075 Woodside Road, Redwood City

Please note, the free services provided are for properties located within San Mateo County. For more information or to register, please visit: <https://PCEEVChargingMadeEasy.eventbrite.com>

Join the Cupertino Historical Society & Museum for "A Sip of History: Nine, Wine & Dine" Golf Tournament and BBQ

Date: Sunday, June 24, 2018

Time: 5:00pm-8:00pm

Location: Deep Cliff Golf Course, located at 10700 Club House Lane, Cupertino

For more information, please visit the Cupertino Historical Society & Museum website at www.cupertinohistoricalsociety.org.
