

Lawson Middle School

Safe Routes to School Improvement Plan

- 1 Mariani Avenue/Infinite Loop**
 - Conduct traffic study along Mariani Avenue/Infinite Loop
 - Convert transverse crosswalk to yellow high-visibility crosswalk
- 2 Merritt Drive/Larry Way/Vista Drive**
 - Install in-street school crossing signs (R1-6) in the crosswalks across Merritt Drive
- 3 Northern School Drop-Off (two options - requires further study)**
 - Install signage to encourage drivers to pull forward
 - Install crosswalk with ADA-compliant curb ramps across parking lot
 - Option A (see Inset):
 - Close Merritt Drive exit driveway to drop-off vehicles. Exit still needed for bus access
 - Allow left turns only out of parking lot to Vista Drive
 - Option B:
 - Install No Left Turn signs on eastbound Merritt Drive at Larry Way
 - Remove crosswalk across Merritt Drive at Larry Way
- 4 Apple Tree Lane/Vista Drive**
 - Install KEEP CLEAR markings in both northbound and southbound directions of the intersection
 - Install in-street school crossing sign in the crosswalk across Vista Drive
- 5 Eastern School Drop-Off**
 - Remove center delineators
 - Install signage to encourage drivers to pull forward
- 6 Vista Drive**
 - Install Class III Bike Route signage and marking (sharrows)
- 7 Southern Parking Lot**
 - Prohibit parent drop-off/pick-up in this lot
 - Move bicycle parking to the southern end of the school (location to be determined)
- 8 Forest Avenue/Vista Drive**
 - Conduct crossing guard warrant analysis

	Existing Bike Parking		Existing Crossing Guard Location		Recommended In-Street School Crossing Sign
	Recommended Pull Forward Sign		Recommended Parking Lot Driveway Restriction		Recommended Crossing Guard Location

	Recommended Curb Ramp	Improvements not to scale
	Recommended High-Visibility Crosswalk	

0 200 ft
