Cupertino Safe Routes to School

Hyde Banner Contest Winners

Congratulations to the winners of Hyde's WOW Banner contest! The two winning designs were printed into weatherproof banners and hung on the campus fence to remind parents and students of the school's weekly WOW day: Walk on Wednesday. These banners are intended to encourage students to walk, bike, scoot, or carpool to school.

Looking for High School Representatives

We're looking for students passionate about bicycling, healthy lifestyles, safe transportation, and campus safety to join our Safe Routes to School Working Group!

This group is composed of parents, district officials, school administrators, and students. We meet once a month throughout the school year to share ideas about how to improve walking and biking for students through developing education, encouragement, and engineering elements.

High school representatives would bring the student perspective to the discussion, which we need!

Apply by June 10, 2019.
Find the application on our website:

Middle School Bike Skills

The City of Cupertino's Safe Routes to School program is pleased to announce their newest summer program: a bike safety workshop to prepare rising 6th, 7th and 8th graders to get to middle school and beyond! Students and their accompanying parent/guardian will learn how to be safe and predictable riders, practice bike handling skills, and go on a group bike ride to put all these new skills to use. This half-day Middle School Bike Skills workshop is offered in partnership with Wheel Kids.

Dates to choose from: June 30, July 27, Aug 25, Sept 21

Time: 8:30am - 1pm

Location: Cupertino Senior Center

Cost (covers student and adult): \$110

Register: <http://wheelkids.com/msbs-cupertino/>

Working Group Meeting Dates

Dates have been set for next year's working group meetings! Find them on the Working Group section of our website:

www.Cupertino.org/SafeRoutes

We will typically meet the second Wednesday of every month from 4-5pm.*

These dates were set as a result of polling our partners and working group members with a goal of finding a predictable day to conduct our monthly working group each month moving forward.

* In August and September we will meet on a Tuesday. Our August meeting will be 4:30 -5:30. We do not meet in December or July.

Safety Tip

Always look left, right, then left again before crossing the road. Make eye contact with any drivers coming to make sure they see you.
