Subject: Vallco Demolition

Ron,
Thank you for your time this morning. I spoke with your inspector, Bernard Salalila, who gave me your name to follow-up on my request. I am looking for compliance reports for the most recent inspections made at the Vallco Mall site (10123 N Wolfe Rd) in the City of Cupertino. The job number for the project is ASB104350. If your records are not readily available, I would like to know if based on your recent inspections that the project continues to be in compliance with BAAQMD governing regulations and how I could obtain a copy of the site inspection records. Thank you for your time.

Regards,

Albert Salvador, P.E., C.B.O
