HOW TO REPORT AN ISSUE

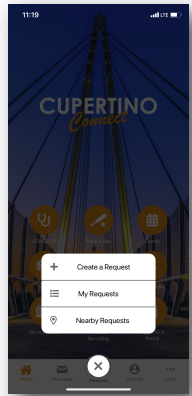

STEP 1

Launch Mobile App on your device

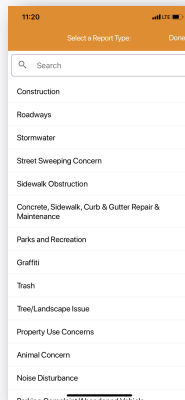

STEP 2

Select Create a Request

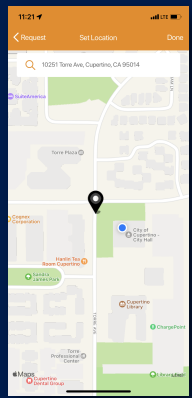

STEP 3

Select the Report Type you wish to report

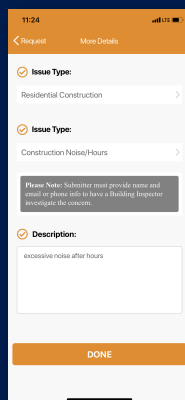

STEP 4

The app uses geotagging to automatically detect your location, you can also type in an address

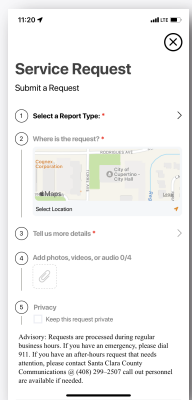

STEP 5

Enter the details and description

STEP 6

Your issue will be delivered to the City and you will receive updates regarding your reported issue

CUPERTINO
311

Through the Cupertino 311 mobile application, residents can report issues in their community to the City to address, such as graffiti, potholes, and more. The application uses geotagging to automatically capture the address where the issue is located.
