

Remember **this** Vallco plan?

Now it's **this**:

Is **this** what you want at Vallco?

- Still hiding buildings up to 9 stories under green roof
- Adding 13 stories above the green roof!
- Went from 800 to 2,400 apartments
- Still with almost 2,000,000 sq. ft. of office
- Retail reduced again by 1/3
- We'll say it again: seven 22-story buildings!!!

WORKING FOR A BETTER CUPERTINO

Informed, organized residents who are engaged in local matters.

Transparency and accountability to local and regional government.

Security, growth aligned with the needs and interests of a majority of residents.

Outside Interests Show Complete Disregard for What Cupertino's Residents Want Once Again!

Did you know that the proposed project for Vallco will include the following?

- 10.3 M sq. ft. in total. That's nearly twice the size of Apple Park HQ on 1/3 the size of the land
- 7 towers up to 22 stories high looking down into your backyards
- 1.8M sq. ft. of office and other jobs adding 12,600 employees **NO EIR Needed!**
- 2,402 housing units that will house less than half the added workers
- Another 4,595+ people will be heading homes in the middle of a housing crisis
