happenings in cupertino

– Cherry Blossom Festival, continued from page 1

The festival offers a wide selection of Japanese food and beverages, entertainment, demonstrations, cultural exhibits, art, crafts and clothing for sale. A special children's section will feature activities, hands-on arts & crafts, and a petting zoo.

During the festival, a series of indoor cultural displays and demonstrations will be featured in the Quinlan Community Center. Other cultural exhibits and demonstrations include Bonsai, doll making demonstrations, Ikebana, Suiseki (Japanese rocks), Origami, Shodo (calligraphy), Japanese swords, and Sumi-e (brush painting). Outdoor displays will include a "Kidz Zone" with games, a petting zoo, koi fish, and Akita and Shiba Inu dogs show.

All-day outdoor entertainment takes place in the park amphitheater. Among the scheduled events are Taiko groups, Japanese dancers, various martial arts, children and adult musical performances.

Food and drink offerings will include gyoza (meat in Japanese pastry), chicken salad, tempura, yakisoba, mochi, teriyaki hot dogs, fruit-on-a-stick, teriyaki chicken with rice in a bowl, shave ice, coffee, smoothies, beer, sake, plum wine, sodas, bottled water and lemonade. Craft booths throughout the park will offer a wide variety of items for sale, including cards, paper sculptures, pottery, jewelry, washi eggs and dolls, Japanese antiques, clothing, paintings, candles, photos, woodwork and T-shirts.

The 200 cherry trees and the two traditional lanterns at the park were gifts to the City of Cupertino from Toyokawa. As this year marks the 100 year commemoration of the Japan's gift of cherry trees to Washington D.C., there will be a special ceremony on Saturday at 1 pm. The Consulate General of Japan will present an additional cherry tree to the City of Cupertino.

The festival benefits the nonprofit Cupertino Sister City Committee, which promotes friendship and conducts an annual student exchange program with Toyokawa, Japan. Local nonprofit organizations that support services for disadvantaged, youth sports, student service groups, music and language programs will have booths with a variety of activities.

Parking is available at nearby De Anza College. Purchase a one-day parking permit for \$3.00 from machines in the lot. For more info and detail program about the Cherry Blossom Festival, call festival coordinator, Asif Kausar at 408.940.5287 or visit www.cupertinotoyokawa.org.

Explore, Engage & EcoAmplify @ the 2012 Earth Day Celebration

Saturday, April 21 from 11 am – 3 pm, Civic Center Plaza

The City of Cupertino is celebrating its 4th Annual Earth Day Festival on Saturday, April 21 from 11 am – 3 pm in Civic Center Plaza (by the Library's main entrance). Come join 3,500+ of your friends, relatives, neighbors, and peers who'll come together to explore new and fun ways to protect our local and global environment. In addition, 100+ partners (including jazzy musicians, talented artists, culinarians, eco-superheroes and environmental superstars) will be on hand to provide delicious food, lively entertainment, hands-on activities and educational booths to engage adults and kids alike. From learning how to compost to understanding more about solar technologies to planting a native garden, there'll be something for everyone. We invite YOU to explore the many programs offered by the City of Cupertino and its environmental partners to create a healthy, safe and environmentally vibrant community for you to live, learn, work and play. See you on the 21st!

Distinguished Artist, continued from page 1

There is a cash award of \$500 for the winner in each category. The application deadline is Friday, May 18, at 4:30 pm. Forms are available from the City Clerk's Office, 10300 Torre Ave., Cupertino, 95014, or on the website at www.cupertino.org/distinguishedartist. For more information call Kimberly Smith at 408.777.3217, or send email to kimberlys@cupertino.org.

The Fine Arts Commission's purpose is to foster and encourage artists while preserving and advancing the arts for the benefit of the residents of Cupertino. Each year the Commission presents an award to one or more deserving artists in recognition of local talent.

The Emerging Artist Award, for those 30 or younger, was established to encourage and recognize younger artists with artistic promise. The Distinguished Artist Award is for those 31 or older; whose work displays merit and excellence.

The candidates must practice their art in Cupertino, or be residents and/or students in the community. Both performing and visual artists will be considered. Awards will be presented in the fall. For more info and past recipients, visit www.cupertino.org/distinguishedartist.

Electrical Safety at Home

Electricity in the home is something we take for granted as being safe and not a threat to our lives. Yet, according to the US Fire Administration, nearly 40,000 electrical fires take 360 lives each year. Even though the electrical wiring in homes are installed to strict codes and have protective devices such as circuit breakers, fuses, and ground fault interrupters, a fire due to faulty electrical wiring can still occur. Electrical wiring is subject to corrosion, aging, and just jarring loose with age. Heating, lighting, and cooking activities also are a cause of home fires.

Here are a number of things you can do to help reduce the likelihood of a home electrical fire.

- Check your wall outlets to see if they feel insecurely mounted or show black soot from arcing. If you find these conditions, have a licensed electrical contractor repair or replace the outlet.
- Never overload wall outlets or circuits with too many high wattage appliances at once. Read the wattage rating on heaters, hair dryers, countertop electric cookers, etc. and know how much wattage is too much for that particular circuit. If you trip a circuit breaker, unplug appliances on the circuit before resetting it.
- Always check the wattage rating written on the base of a lamp fixture to make sure you are not installing a light bulb that is too big for the fixture.
- Use extension cords with three prong plugs for those electrical plugs accepting them. Check all extension cords for frayed insulation or loose plugs. Never pull an electrical cord out by the wire, always grasp the plug and pull.
- Never run extension cords under rugs or across places where they could be tripped on or get damaged.
- Keep electric heaters and work lights a safe distance from combustibles and never hang clothes to dry over an electric heater.
- Never let children play with or around wall outlets or electrical cords. Use safety covers or childproof plugs in unused outlets.
- Clean out the air vents of electric dryers regularly. A clogged vent could cause a fire.
- Visually look at the connection from the main power poles to your home and look for damage to the line. This will normally occur where

it may rub on trees or tall shrubs. If you see signs of damage or charring contact PG&E to inspect it.

- Never use a metal ladder near an electrical line into your home. Also, be aware of electrical lines when trimming trees or shrubs.

Upcoming Public Training Sessions:

Earthquake Preparedness and Home Safety

Get your group, club, organization, or friends together (8 or more) and request a FREE one hour presentation from Cupertino Office of Emergency Services. This class can come to you at your home, office, church, club or we can host it at Cupertino City Hall. You will learn how to prepare for an earthquake, stay safe during an earthquake, and cope afterward. Also, you will learn valuable tips on how you can be safe at home during other disasters and about general home safety. Contact the Cupertino Office of Emergency Services (OES) at 408.777.3335, or email OES@cupertino.org for more information, or to request a class for your company, group or organization. Schedule your class now!

FREE! West Valley Personal Emergency Preparedness (PEP) Course, 3 hours, Wednesday, April 11, 6 – 9 pm, Cupertino City Hall, EOC, 10300 Torre Ave, Cupertino. Learn how to prepare to be on your own for several days after the next large disaster. Training includes disaster supply kit, home and workplace preparedness, treating life threatening conditions, fire prevention, fire extinguishers and hazardous materials. For registration or questions contact **stephanie.morrison@cnt.sccgov.org** or 408.341.4422. Please provide your full name, e-mail address, phone number and city of residence or workplace in the West Valley.

Community Emergency Response Team (CERT) April 26, May 3, 10, 17 & 24 (Thursday evenings, 6 - 9 pm) and May 26 (Saturday morning, 9 am - 1 pm), Saratoga Senior Center (Saunders Rm), 19655 Allendale Ave, Saratoga. Learn to be part of the disaster response solution. This is an intensive training session on preparedness and helping others during a disaster. Must be able to attend all classes for graduation. The cost is \$35 for all classes. If you have questions contact: **miguel.grey@cnt.sccgov.org** or 408.341.4486. For registration: www.cupertino.org/emergency.

If you do only one thing to prepare this month...

Check all of your home electrical cords, extension cords and outlets for signs of damage. Repair or replace any frayed, broken or burnt cords and outlets.

by Gail Fretwell-Hugger

Going through old files often turns up unexpected surprises. Recently a copy of a letter written 106 years ago turned up on the bottom of a file box. Since April is Earthquake Preparedness Month, it seemed appropriate to share some of this long-forgotten letter. It was written on May 1, 1906 from Vallejo. I don't know where or to whom the letter was sent.

Dear Folks,

May 1, 1906

Yours of the 25th (blurred word) is at hand and in reply, will beg to be excused for not writing before but owing the excitement (in April) we have not been able to do anything but look out for our own safety. I was anxious to have Sina write but she was so excited and nervous that about all she wanted to do was to get out of the house and stay out. Our house pretty near fell over but is still standing and is not safe to live in. We had 86 earthquakes within one week, and enormous loss of life and property which will never be replaced. A number of my old friends were killed. There was about as many people that went insane as there was got killed. The insane are worse off than those that were killed. The newspapers are trying to keep everything quiet as possible so as not to frighten money away from San Francisco. The result is that the truth is not told. The papers claim that there was only a few hundred people killed in San Francisco and the truth is that there was over 500 people killed in Chinatown. There was 70 telephone girls killed in one building, there was 2 different hotels which had over a hundred people killed in each one. Insane asylum had 110 killed, a large number of lodging houses fell and killed everybody in them to say nothing about all the firemen and policemen that were killed by dynamite and fire and falling buildings.....there was over 30 babies born in Golden Gate Park the first day with no nurses, doctors or care of any kind.....there was no water to drink and people were choking with thirst had to drink beer, whiskey or wine, the result was a good many got drunk and left lying on doorsteps.....all people thought about was saving their own lives, had no time to save others.....I joined the Red Cross and went to San Francisco to help. I saw the City before and after and know a good deal about it as it is my old home...there was quite a number of other citys destroyed all around us and we think we were pretty lucky as we were just about in the center of it all...thank God we were saved...hundreds of businessmen in San Francisco that were worth from \$100,000 to \$10,000,000 on the 17th of April that are poorer today than we are. I will send you one of our newspapers so you can see what is going on out hear (sp) but you will see how the rich people are trying to hide the awful loss of life and property they own (blurred sentence)

We have got a book of different views of California which is for Louis Johnson's wedding present (better late than never) almost every building and picture in the book is ruins now. The largest picture shows about 1/3 of San Francisco, all of that picture and 3 times as much is destroyed. We are going to try to sell our home and go to Southern California just as soon as possible, we are afraid of volcanoes.

Hoping this will find you all well, I will close... after you have looked at the book, please give it to Louis as it belongs to him.

Yours truly, E. H. Cook

I have no information on the author of this old letter but his account of this great tragedy is very moving. There has always been controversy about the number of people who perished in the 1906 earthquake and how newspapers reported on the earthquake and fire and the chaos that ensued.

Cupertino has earthquake preparedness programs available to all its residents. Residents can contact Cupertino Office of Emergency Services at 408.777.3335, or visit cupertino.org/emergency to seek information about how to prepare for and survive earthquakes.

Wishing all in Cupertino a happy spring and very blessed Easter.

Cupertino Senior Center Volunteers Honored

Congratulations to the Cupertino Senior Center for winning California Park and Recreation Society's, (CPRS), Award of Excellence for the annual Hidden Treasures Event held in October. This event raised \$12,500 in five hours for the Case Manager's Emergency Assistance Program and was chaired by three very dedicated volunteers, Kim Vogel-Matsuno, Evelyn Phoa, and Gayle Gustafson. Over forty senior center volunteers helped put this event on, making it so successful. The senior center will begin collecting items in August for this year's event to be held in October 2012.

Congratulations to Joyce Baron for winning a CPRS Volunteer Citation Award for 730 hours of volunteer service at the Cupertino

Senior Center. Joyce has worn many hats over the past seven years, from desk volunteer, host committee, and the annual Hidden Treasures Event as well as other special events and programs. She gave over 220 hours of volunteer service in 2011 alone.

If you are 50 years or older and are willing to become a member of the Cupertino Senior Center, visit our website or come in person to see what volunteer opportunities may be available for you. www.cupertino.org/senior

Free Cupertino Compost Class, Saturday, May 5

Free “how-to” backyard compost workshop at Cupertino’s Community Hall, 10300 Torre Ave, Cupertino, Saturday, May 5 from 10 am – 12 pm. To register, please call Recology at 408.725.4020. For future compost classes, visit www.reducewaste.org/classes. Cupertino residents attending a compost workshop will receive a free Home Composting Bin within two weeks after the class. Only one compost bin per household.

Creek Clean Up Event, Saturday, May 19

The City of Cupertino will be hosting a community cleanup on Saturday, May 19, from 9 am to 12 pm at Creekside Park, 10455 Miller Avenue, Cupertino. Volunteers and City staff will clean up areas surrounding Calabazas Creek, which runs along Creekside Park. Gloves, trash grabbers and other tools will be distributed. Volunteers are encouraged to dress for safety; wear old shoes, rain boots or equivalent, long sleeves, pants and sunscreen. Free refreshments will be offered. Do something good for your community and have fun, make it a family event! To register to participate in Cupertino’s Creek Cleanup Day, please contact the Public Works at 408.777.3354, or visit the City’s website at www.cupertino.org.

Environmental Recycling Day & Document Shredding Event, Saturday, May 19

The next Environmental Recycling Day & Document Shredding Event will be held on May 19 from 9 am - 1 pm at De Anza College, parking lot “A”. The City of Cupertino & Recology offer this free drive-through, drop-off service for Cupertino residents at least twice a year to encourage extended use of products and to prevent valuable resources from being sent to the landfill. Accepted items are: Electronic Waste (i.e., computers, monitors and printers), U-Waste (batteries, cell phones, CFLs

and fluorescent tubes), reusable furniture, clothing (for donation; no dirty, stained or torn furniture, and no mattresses), and residential documents (for

confidential onsite shredding; two (2) box limit). Recycling Day compliments the FREE e-waste drop off location offered Monday, Wednesday & Friday by Apple Computer for residents of Cupertino at 10300 Bubb Rd. Look for more on the City’s website www.cupertino.org/recycling or contact Recology at 408.725.4020.

Is Your Bin Too Full?

To avoid a missed pickup on garbage day and to help prevent the spread of litter, be sure that your garbage, recycling, and compost bins are always completely closed when placed at the curb. Do not overfill containers to the point where they cannot close all the way. An overflowing container may result in the garbage company not emptying your container,

for concerns that it may be overweight. In addition, a container that is not completely closed is exposed to rodents, birds, and wind that could remove the materials from your container, create unsightly litter and cause the spread of garbage to the storm drainage system. Garbage that enters a storm drain is not removed or treated, but flows to our local creeks and bay, which can be hazardous to water quality and animal and aquatic life. If you have excess garbage, recycling, or organic material, consider putting it out over multiple service days or call Recology at 408.725.4020, for extra weight tags (for a fee) or to see if you can use one of your free On-Call pickup days.

What to Do with Your Household Hazardous Waste?

Don’t forget to contact Waste Management (WM) at your door service to collect your household hazardous waste. Appointment for collection can be made at www.wmatyourdoor.com or by calling 800.449.7587.

» Compost Available Again

The City's compost site is now open again, weather permitting. The Stevens Creek Quarry site on Stevens Canyon Road (across from the dam) will be open for free compost pickup on Friday and Saturday mornings from 8:30 to 11 am. No appointments are necessary. The site will be closed on the 4th of July weekend or if it is raining or drizzling anywhere in Cupertino, or if the compost site has puddles or remains muddy after rains. If it is sunny, but muddy, the site must be closed to comply with State mud-tracking prevention requirements.

Please abide by the following rules.

- Only Cupertino residents may use this program. Please bring proof of residency.
- If a resident has hired a gardener, the resident must accompany the gardener when he or she picks up the compost.
- There will not be any staff at the site to assist residents in shoveling compost or moving bags.
- Please bring adequate shovels and people to help.
- Bring containers, an old trashcan, a tarp or bags to hold your compost.
- Residents are limited to 15 minutes of shoveling if other cars are waiting.
- Bring a tarp and tie-down ropes to cover compost carried in your truck. State law requires that loads of loose material be covered while trucks are traveling on streets and highways.

For additional information about the City's Free Compost Site visit www.cupertino.org/compost.

The Cupertino Historical Society – Quarterly Speaker Program, "Prohibition"

Presented by Ray Cosyn, Tuesday, April 17, 2012.

**Quinlan Community Center, Cupertino Room, 10185 N. Stelling Road, Cupertino
Refreshments at 6:30 pm, Presentation at 7 pm**

There is only one amendment that has ever been repealed, and that was the Eighteenth Amendment which spawned the Volstead Act and brought the country thirteen years of prohibition. The 1920s became a period of hypocrisy and bedlam thanks to the passage of the Volstead Act.

How did prohibition come about and how did it end? Who were the key figures of the time and what were their roles in stemming the manufacture, sale, and distribution of intoxicating beverages? How did the California wineries survive and why was the act repealed? All these and more questions will be answered in this fascinating presentation.

Ray Cosyn is a spokesperson on the history of America. He possesses an Engineering Degree from the University of Illinois and a Masters Degree in American History from San Jose State University. He has spoken to numerous groups on a wide range of topics from the Civil War, through and including WWII. Mr. Cosyn is on the board of directors of the Saratoga History Museum and sits on committees focused on integrating bicycle transit into our transportation infrastructure.

For further information contact the Cupertino Historical Society & Museum at 408.973.1495, or email at cuphistsociety@sbcglobal.net.

Talk To The Cupertino Library Commission....Really!

The Cupertino Library Commission is chartered by our City Council to advise and support them on all aspects of the Cupertino Library and its services to the community. The Commission is composed of five residents who applied and interviewed for this voluntary role, and were appointed by City Councilors. In addition to working closely with Santa Clara County library staff and our community librarians, Commissioners liaise with city staff and other Cupertino Commissions to develop, enhance, and promote library programs and services which best meet the needs of our community.

Talk to us! We encourage your engagement; stop by our meetings and give us your thoughts. You can provide feedback, raise issues, or ask questions. The commission meets the first Wednesday of every month at 7 pm in the EOC room in Cupertino City Hall. Some time is reserved at the beginning

of each meeting for oral communications from persons wishing to address the commission on any matter not on the agenda. Agendas, and any schedule changes, are published in advance of every meeting and may be found at www.cupertino.org/librarycommission. It is helpful, but not necessary, to communicate your intent to attend by emailing the Commission's administrative representative at lbg@cupertino.org. You can also send your feedback to the same address, at any time, and we will review your input at the next scheduled meeting.

We welcome your participation, and thank you for your support of our library. Did you know that the Santa Clara County Library regularly appears in the top five rankings of library systems nationally? The Cupertino site is a dynamic and innovative one. Help us keep it great and make it better!

The Better Part

The programs listed below are aired on Mondays at 4:30 pm on Channel 15. The repeat showings are on Channel 15 at 7 pm on Tuesdays and Fridays.

Sunnyvale-Cupertino Adult and Community Education

Are you nervous and worried about your citizenship interview? Come to our free citizenship practice interview class on Saturday, April 28, 2012.

On Saturday, April 28, 2012, from 9:30 to 11:30 am, Sunnyvale-Cupertino Adult and Community Education will be offering a free special one-day class, ESL/Citizenship Interview Preparation, to help prospective citizens prepare for their interview. Volunteers from the community will act as interviewers. At this class there will also be an immigration expert who will talk about the interview process and answer questions. The class will meet in the Training Center at the Adult Education Center, 591 W. Fremont Avenue, Sunnyvale. Students can register online at www.ace.fuhsd (course code 144000) or by calling 408.522.2700. Students may also register in class.

Volunteers Needed

Volunteers are needed to help conduct mock citizenship interviews for Sunnyvale-Cupertino Adult and Community Education's ESL/Citizenship Interview Preparation Class. This is a commitment for one morning only, Saturday, April 28, 2012, from 9-11:30 am. Since many prospective citizens are apprehensive about the interview process, this one-day class gives students an opportunity to practice for their citizenship interview in a relaxed and friendly setting. As a volunteer, you will ask prepared questions and dictate prepared sentences, thus simulating an actual interview. Training for volunteers will be done on the morning of the class. If you are interested, please call Linda Brummer at 408.522.2733.
