New

City of Cupertino, Chamber of Commerce, and Main Street Feeding the Community
Last Friday, City staff coordinated and executed the staffing, transportation, and delivery of 1,100 meals to Fremont and Homestead high schools. The Fremont Union High School District was in need of meals and Lazy Dog and Pineapple Thai—both located at Main Street Cupertino—were able to meet that need by providing 550 meals each.

The Cupertino Senior Center has also been working with the Cupertino Chamber of Commerce to provide meals to seniors in need. The Chamber has been coordinating with local restaurants to prepare the meals while the Senior Center has provided outreach to those who can benefit from them. City staff has also delivered meals to the senior's homes.
