Cupertino Walgreens Offering Free COVID-19 Testing

The Cupertino Walgreens at 20011 Bollinger Road is offering free, drive-thru COVID-19 testing. Testing is available seven days a week from 9 a.m. to 5 p.m. No appointment is necessary, but those who make an appointment will be served first. Individuals must be 18 and older and do not need to have health insurance.

The nasal swab test is self-administered and does not test for antibodies. When you arrive at Walgreens, follow the signs and bring a valid ID and insurance card if you have insurance. Results will be available in three to four days.

Book an appointment at www.walgreens.com/findcare/covid19/testing
