COVID-19 Response Update

The City of Cupertino continues to monitor the effects of COVID-19 as the safety of our residents, staff, and visitors remains our highest priority. The following information regards the City's response to the latest recommendations from the County of Santa Clara Public Health Department. For more information, visit www.cupertino.org/coronavirus.

New

Information Regarding Parking Violations

The City of Cupertino has received numerous complaints regarding possible parking violations across Cupertino. Residents should be aware that they must move their vehicles at times, including during hours of street sweeping, in permit parking zones, and after 72 consecutive hours of being parked without moving, among others. While the City relaxed some parking enforcement during the county Shelter-in-Place Order, full parking enforcement—including citations that range from \$35 to \$336—will be reinstated beginning Monday, July 20. This is being done in anticipation of additional traffic and parking issues in connection to the new Health Officer Order, which goes into effect on Monday, July 13, that allows for more activities to take place.

The City of Cupertino is hosting a meeting in collaboration with the Fremont Union High School District, Cupertino Union School District, and Santa Clara County Sheriff's Office-West Valley Division regarding policing in Cupertino. The City, FUHSD, CUSD, and Sheriff's Office have received inquiries about policies and training regarding use of force, as well as the purpose of School Resource Officers.

The event will be hosted by City Manager Deborah Feng and include Superintendent Polly Bove, Interim Superintendent Stacy McAfee-Yao, Deputy Superintendent Graham Clark, and Captain Ricardo Urena. FUHSD and CUSD students and alumni are invited to this meeting to ask questions and express their opinions.

Virtual Sustainability Open House

Take action in the fight against climate change, and share your voice on how to create a more sustainable Cupertino and planet.

The City of Cupertino will host a Virtual Sustainability Open House on Thursday, July 9 at 4:00 p.m. for all community members interested in environmental programs to learn about the City's future projects and to contribute ideas. Discussions will cover a range of topics including the Climate Action Plan, the Zero Waste Program, the Green Business Program, volunteer opportunities, and more.
