## COVID-19 Response Update

The City of Cupertino continues to monitor the effects of COVID-19 as the safety of our residents, staff, and visitors remains our highest priority. The following information regards the City's response to the latest recommendations from the County of Santa Clara Public Health Department. For more information, visit [www.cupertino.org/coronavirus](http://www.cupertino.org/coronavirus).

### New

#### **2020 Cupertino Summer Event Cancellations**

The City of Cupertino has canceled in-person summer events that attract crowds of 100 people or more due to the ongoing COVID-19 pandemic and extended Shelter-in-Place Order. This includes Shakespeare in the Park, Summer Concerts, Summer Movies, Cupertino Campout, and the Corridor Stroll.

The City understands that this announcement will disappoint many residents who look forward to attending these events every year. However, this decision is in the best interest of our community. The City hopes you and your family will join us in 2021!

#### **Sort Your Waste While Sheltering in Place**

The City of Cupertino's Environmental Programs Division, in collaboration with waste hauler Recology, is hosting a free waste sorting webinar on Wednesday, May 27 from 1:00 to 2:00 p.m.

Are you finding yourself collecting more take out containers or generating more food scraps since shelter-in-place began? Do you have questions about disposal of masks and gloves? This webinar is intended to provide guidance to Cupertino residents on how to better manage their waste during the COVID-19 period. Learn about general waste sorting, hear about impacts of COVID-19 on the waste industry, and ask your waste related questions during our live Q&A.
