Registration begins today for people wishing to sell items during the Cupertino Citywide Garage Sale. Free registration for sellers begins August 10th and continues through September 4th. The Cupertino Citywide Garage Sale will be held on Saturday, September 19 & Sunday, September 20, 2015, 9am – 4pm. The Cupertino Citywide Garage Sale gives participants a chance to clean out garages, attics, and closets, and make money while preventing items from going into the landfill.

The Citywide Garage Sale is an annual event when residents of Cupertino hold garage sales at their homes, or join with neighbors to hold block sales. The City of Cupertino organizes registration and advertising, and participants keep the cash - it's that easy! The City advertises the sale widely, so shoppers come from all over the region to make the sale even more successful. The service is free.

This popular community event brings the issues of waste reduction and recycling right into residents' homes, with an emphasis on reusing, repurposing, and giving rather than throwing away. It is also a great way to get to know your neighbors and make friends in your community.

Cupertino, CA, is on the western edge of Silicon Valley against the foothills of the Santa Cruz Mountains. With a population of 62,000 within 13 square miles, Cupertino is 42 miles south of San Francisco and home to many high-tech companies, most notably Apple, Inc.
