NEWS RELEASE

June 2, 2008

Street Maintenance and After-Disaster Reporting Are Topics at Block Leader Meeting

Cupertino Block Leaders will learn how the city tracks and manages street conditions and how to report status of their neighborhoods after a disaster on Wednesday, June 11 from 6:00 to 8:00 p.m. at Cupertino Community Hall. Dinner will be provided.

Leaders will also learn how to help neighbors prepare their basic emergency supplies, a project supported by the Cupertino Office of Emergency Services and conducted by the Monta Vista High School service club, High Schoolers for a Better Community. The session is open to existing block leaders and residents interested in learning how to coordinate their neighborhoods.

The Cupertino block leader program helps residents to connect with each other and with the City. Block leaders learn about new city programs and are informed of events specific to their neighborhoods. About 275 residents participate as Cupertino block leaders. Each leader communicates with between five and 90 homes each.

If you would like to attend the meeting, e-mail communityrelations@cupertino.org or call 777-3331. The last day to sign-up is June 5. Information about the block leader program is available on the City web site: www.cupertino.org/blockleader.
