### **No Special Election for Cupertino Initiatives**

This morning, Santa Clara County Superior Court Judge, Kevin E. McKenney, sustained the city of Cupertino's demurrer requesting that the Concerned Citizens of Cupertino petition seeking a special election be dismissed.

In the case of Edward J. Britt v. Cupertino City Council, Judge McKenney ruled that the three initiatives submitted by the Concerned Citizens of Cupertino had not specified the requirement for a special election. The judge concluded that the city council of Cupertino was within its rights to put the initiatives on the ballot for the next general municipal election, November 8, 2005.
