NEWS RELEASE

Cupertino Citywide Garage Sale is Coming

To prevent useable items from being thrown away, the City of Cupertino will once again sponsor the annual Citywide Garage Sale on October 2 and 3. About 500 households are registered to hold garage sales—many of them multi-family sales and block sales.

A list and garage sale sites can be found on the City's Web site: www.cupertino.org beginning September 28. Each address listed is assigned map coordinates so sale locations will be easy to find for shoppers unfamiliar with City streets. While browsing the Web site, shoppers will also be able to quickly search for a specific item using the "Find" function.

Printed copies of the list and map will be available at City Hall, the Quinlan Community Center and Senior Center on Sept. 28.

The citywide garage sale has become a good opportunity for residents to visit with neighbors and to meet fellow residents in surrounding neighborhoods. It has also become a fundraising event for some community groups.
