**FOR IMMEDIATE RELEASE**

### **Special Cupertino City Council Community Workshop**

**Cupertino, Calif., October 29, 2014** — In response to the incident this week, the Cupertino City Council will be holding a community workshop on Thursday, November 6, 7:00 pm, at the Quinlan Community Center, Cupertino Room, 10185 N Stelling Road, Cupertino, CA 95014.

Cupertino has a tradition of coming together as a community to solve difficult problems. This week's events are a tragic reminder of our need to come together once again.

At this workshop, the community is invited to participate in a discussion regarding traffic safety around schools.

All residents are encouraged to bring their thoughts and ideas to this community event.

Additional information will be posted at: [www.cupertino.org/communityworkshop](http://www.cupertino.org/communityworkshop) as it becomes available.
