### **Healthy Cities Initiative: Tobacco-Free Communities Grant Awarded**

As part of the Fiscal Year 2018-19 Work Program, Council directed staff to work on tobacco-free policies and regulations to meet the Healthy Cities Initiative standards. To accomplish this, staff applied for Tobacco-Free Communities grant funding from the Santa Clara County Public Health Department to develop policies that decrease youth access to tobacco and tobacco-flavored products. On November 5, the City was selected to receive funding. The final funding amount will be determined after negotiations regarding scope of work and budget take place, however, the County anticipates being able to provide the full amount requested, \$48,608.

### **Save the Date for Cupertino's Small Business Saturday Celebration on Saturday, November 24**

The City, in conjunction with Main Street Cupertino, will host its third annual Small Business Saturday Celebration on Saturday, November 24 from noon – 3:00 p.m. at Main Street Cupertino's Town Square. This special community celebration will feature free family fun activities, including live music by The Big Dreamers, children's activities, and discounts and giveaways by local businesses to encourage local shopping and dining. The first 200 attendees will receive free limited-edition "Shop Small" canvas tote bags.

Small Business Saturday was launched by American Express in 2010 to encourage holiday shoppers to patronize small and local brick and mortar businesses. Local businesses strengthen Cupertino's economic vitality and are an essential part of our community fabric. Enjoy the fun and show your support! (Flyer attached below)

## **Monster Mash Parent/Child Halloween Dance 2018**

On Friday, October 26, the Recreation & Community Services Department held its first Monster Mash Parent/Child Halloween Dance. Children and parents dressed in their favorite costume and spent the evening dancing, playing games, trick or treating, and making spooky crafts. The kids also participated in a classic mummy wrapping game and got a chance to show off their costume and give us their favorite pose as they walked on stage for the costume contest! This family friendly event was a great opportunity for families to enjoy the Halloween festivities in a safe and fun environment. A great year for this spooktacular Halloween event! We almost reached max capacity with 193 registered participants. (Photos attached below)

## **FitFest 2018**

One hundred and twenty-five (125) people participated in Recreation's first-ever FitFest on October 27. The program was held at the Quinlan Community Center, showcasing classes and instructors who generally teach at the Community Center, Sports Center, and Senior Center. This free event gave teens and adults the opportunity to try a variety of classes including qigong, hula hoop aerobic exercise, yoga, and an assortment of dance aerobics classes. The event helped promote classes, health, and wellness in our community. (Photos attached below)

## **Heroes Run**

The 6<sup>th</sup> annual Heroes Run was held Saturday November 3 at the Cupertino Civic Center. Support by the Public Works Department's Streets Division staff helped setup and staff the various street closures related to this event. This annual event is produced by the Santa Clara County Sheriff's Office, Santa Clara County Fire Department, Santa Clara Valley Medical Center, and the Valley Medical Center Foundation. The event started in 2013, to provide a fun and healthy activity for the community, while raising much-needed funds that directly benefit children's health services at Santa Clara Valley Medical Center. Activities included a 5K run, Superhero kids fun run, Hero Dash obstacle course, and a kids and family costume contest. This annual event draws 1000-plus participants each year.

## **Residential Food Scraps Collection: Visual Audits & Outreach Project with De Anza College**

To fulfill a volunteering requirement in their "Introduction to Environmental Health" course at De Anza College, three students are assisting Cupertino Environmental Programs Staff to conduct targeted outreach to single-family residential homes to increase diversion of food scraps and food-soiled paper from the landfill. As part of this

pilot project, students and staff perform visual “lid flip” audits of about 400 anonymous organics carts in 4 four randomly selected neighborhoods. Some neighborhoods received informational door hangers. Three neighborhood audits have already been completed, with the last one scheduled for next week. All four neighborhoods will receive post-audits in late November and early December and will be invited to participate in a survey to help staff evaluate pilot success. This data will inform future outreach and education strategies in the pursuit of landfill diversion goals and laws. (Photos are attached below of our student volunteers in action)
