News and Updates Regarding COVID-19

1. City Communications Regarding COVID-19 (Coronavirus)

The City of Cupertino continues to monitor the effects of the coronavirus (COVID-19) as the safety of our residents remains our highest priority. All City facilities remain closed until further notice. While City Hall is closed to the public, the City continues to provide essential services online at cupertino.org and by phone at (408) 777-3200. These essential services include responding to 311 requests and maintaining the City's infrastructure, among others. For detailed and up-to-date information regarding COVID-19, visit [U.S. Centers for Disease Control and Prevention \(CDC\)](https://www.cdc.gov) and [Santa Clara County Public Health Department](https://www.sccphd.org).

2. Santa Clara County Fairgrounds COVID-19 Testing Site

Scheduled COVID-19 testing appointments are available through Friday, August 28 from 12 p.m. to 6:30 p.m. and Saturday, August 30 from 9 a.m. to 3 p.m. at the Santa Clara County Fairgrounds. The testing site is located in Lot A of the Fairgrounds, 344 Tully Road, across from the main entrance and is available to people with or without symptoms. The site is set up for drive-through testing, but there is a bike and pedestrian entrance open off 7th Street at the corner of Tully Road. You can schedule an appointment from your phone or from a computer using a web browser other than Internet Explorer. To schedule an appointment, visit scl.fulgengenetics.com/appointment.

3. Via-Cupertino Pauses On-Demand Shuttle Service

Via-Cupertino has placed a temporary hold for on-demand shuttle service since Saturday, August 22. This decision was made in light of extremely challenging operational conditions and low ridership due to COVID-19. We look forward to bringing back Via-Cupertino service when shared rides can safely resume.

2020 Wildfires and Emergency Preparedness

1. City of Cupertino Publishes 2020 Fires Webpage

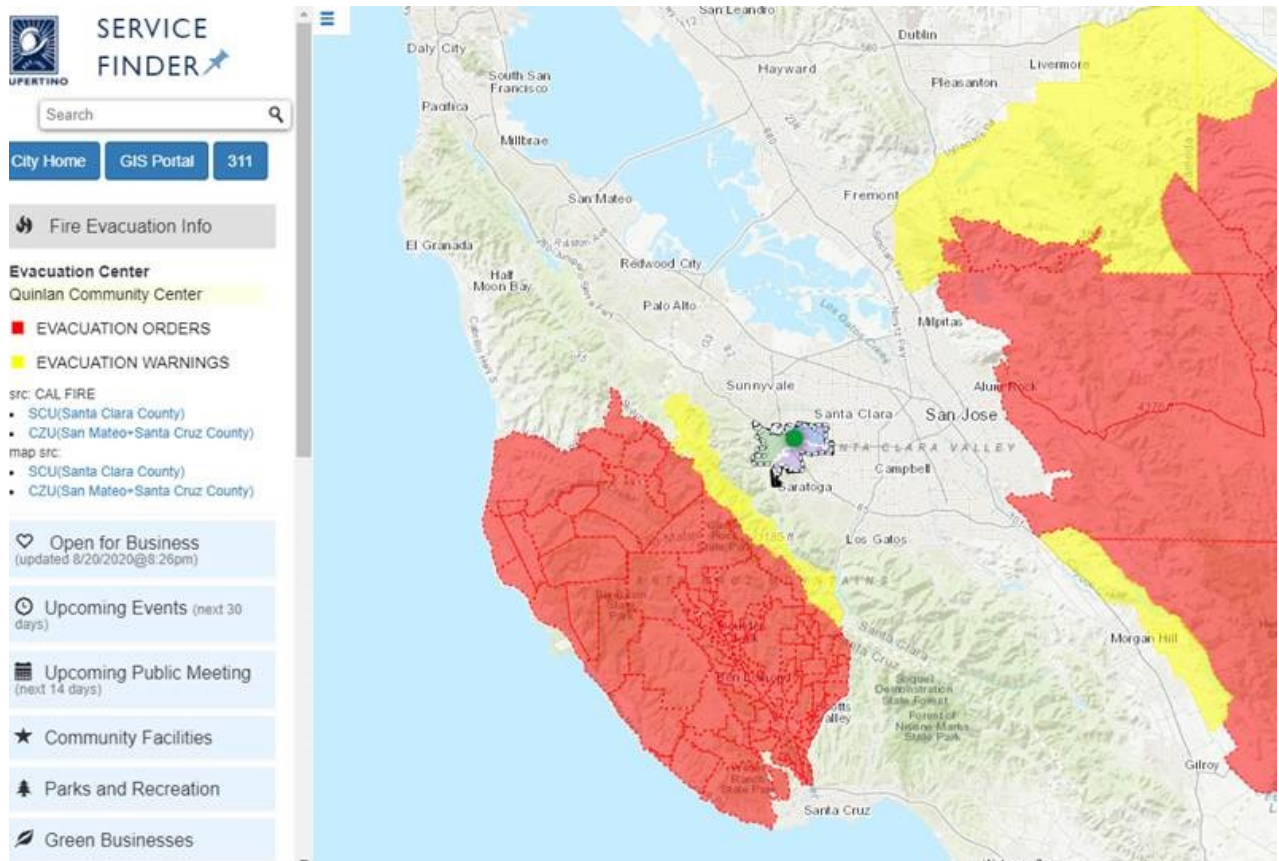

The City of Cupertino has published a "2020 Fires" webpage to keep the public aware of the fires blazing across Santa Clara, San Mateo, and Santa Cruz counties. The page has links to evacuation maps, CAL Fires Twitter feed, AlertSCC registration, and more information. The page will be updated regularly. Visit cupertino.org/2020fires.

2. Fire Evacuation Maps Added to City's Service Finder App

In response to the recent fire evacuation orders, the City's Geographic Information System (GIS) Division of the Innovation Technology (IT) Department has added a [Fire Evacuation Map](#) feature to the Service Finder application. The map outlines the areas currently under fire evacuation orders along with the identified warning areas.

Service Finder is a web-based map application that provides information on major City events, construction areas, street cleaning, and services to residents. The City is committed to

servicing up-to-date information, including identifying areas affected by the fires. Residents have the tools to find the answer to their needs easily and in a timely manner with this app.

3. **Ready, Set, Go: Be Prepared for Wildfires**

Cupertino is in a very high fire hazard severity zone, and it is vital for residents to be prepared for wildfires.

The Santa Clara County Fire Department's Ready, Set, Go program walk you through the steps you should take to ensure your home and family's safety.

READY

- Create a three-zone defensible space by removing dead plants, grass, and weeds from your property
- Harden your home by using ember-resistant materials on your roof, windows, and deck

SET

- Have a wildfire action plan for your family, including exit routes, meeting locations, and a communications plan
- Prepare an emergency kit with essential items to grab and go when needed

GO

- Be ready, take action, and leave early for the best chance of surviving a wildfire

- If you get trapped inside your home, keep your family together and call 911 as soon as possible while keeping doors and windows closed and unlocked

Find more details and instructions from the Santa Clara County Fire Department at sccfd.org/rsg.

4. Spare the Air Alerts and Checking Air Quality

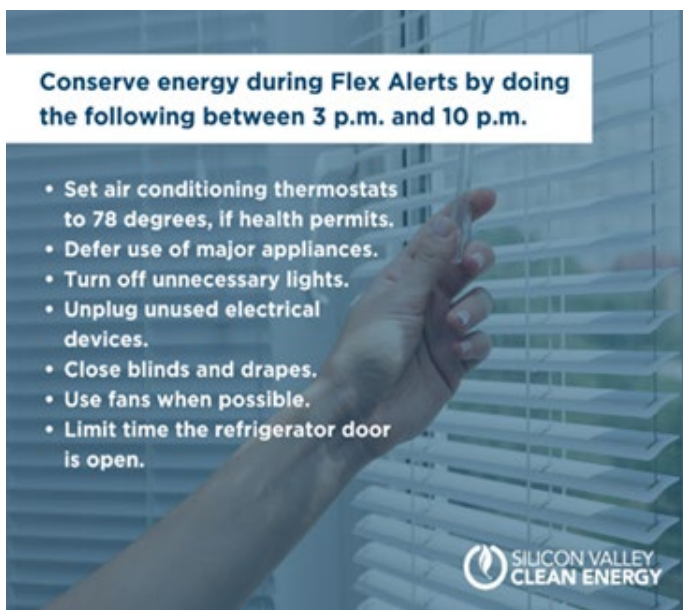

The Bay Area is experiencing compromised air quality with the ongoing wildfires and heatwave. The Bay Area Air Quality Management District issues Spare the Air Alerts to advise when air quality is expected to be bad and recommends limiting outdoor activity and reduced exposure to unhealthy air quality levels during those times. Residents and businesses are encouraged to sign up for alerts at sparetheair.org/connect-with-us/sign-up-for-alerts. To stay updated with real-time air quality readings, visit <http://bit.ly/2p7UFgs>.

5. Heatwave Rotating Power Outages

PG&E released an online tool for customers to look up their rotating outage blocks and see if their location is on the schedule for a potential outage. Check the website frequently for updates, as the shutoff times may change. Find more information at pge.com/rotatingoutages.

6. Conserve Energy During Critical Times

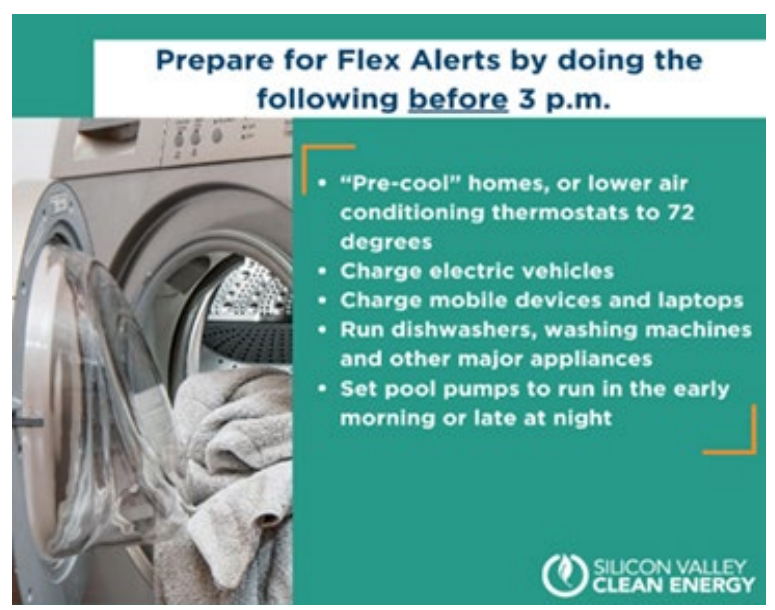

The California Independent System Operator (ISO) issues Flex Alerts to ask for the public's help in reducing energy during heatwaves. Flex Alerts are voluntary calls for consumers to conserve electricity. During a Flex Alert, residents and businesses are urged to lower energy use from 3 p.m. to 10 p.m. Simple actions like unplugging appliances and turning off lights can contribute to electricity conservation during this time. Learn more and sign up for alerts at flexalert.org. The following are some helpful tips on ways to save energy during the most critical hours of 3 p.m. to 10 p.m.:

Conserve energy during Flex Alerts by doing the following between 3 p.m. and 10 p.m.

- Set air conditioning thermostats to 78 degrees, if health permits.
- Defer use of major appliances.
- Turn off unnecessary lights.
- Unplug unused electrical devices.
- Close blinds and drapes.
- Use fans when possible.
- Limit time the refrigerator door is open.

 SILICON VALLEY CLEAN ENERGY

Prepare for Flex Alerts by doing the following before 3 p.m.

- "Pre-cool" homes, or lower air conditioning thermostats to 72 degrees
- Charge electric vehicles
- Charge mobile devices and laptops
- Run dishwashers, washing machines and other major appliances
- Set pool pumps to run in the early morning or late at night

Business Updates

1. Emergency Ordinance Allows Temporary Outdoor Operations

The City of Cupertino is allowing outdoor retail and personal service operations with a Temporary Outdoor Operations Permit. Services include barbershops, hair salons, nail salons, gyms, and fitness facilities. There is no application fee or processing costs. For more details and instructions on how to apply, visit www.cupertino.org/tempoutdoorpersonalservices.

To view the emergency order that authorized these outdoor operations, visit <https://www.cupertino.org/Home/ShowDocument?id=28279>.

2. Changes in Cupertino Businesses

Last month, Michael Lashen announced the permanent closure of Hobee's Cupertino. The iconic restaurant and its team will be missed. Nevertheless, there are new businesses to welcome to Cupertino, including:

- Vampire Penguin Shaved Snow, Drinks, and Desserts (McClellan Square)
- Noodleosophy (McClellan Square)
- Pasta Armellino (Main Street Cupertino)
- O2 Valley (Loree Center, 19058 Stevens Creek Boulevard)
- Tarim Global Cuisine (19930 Stevens Creek Boulevard)

Businesses coming to Cupertino soon:

- Vons Oven Fried Chicken (10520 S De Anza Boulevard)
- SpiceKlub, Modern Indian Cuisine (10310 S De Anza Boulevard)
- 7 Leaves Café (11111 N Wolfe Road)
- Mantra India (20840 Stevens Creek Boulevard)

Relocations:

- Pizza My Heart (Main Street Cupertino)

3. Additional Business Updates

- The City received more than 60 applications for the Cupertino Small Business Emergency Relief Grant Program. Lottery winners and applicants are being notified of their status. All applicants, regardless of winners or those ineligible for the grants, are being offered free business services and counseling through the Enterprise Foundation/Small Business Development Center (SBDC), the City's program administrator partner. A final list of grant recipients will be posted once all Grant Agreements are returned.
- City staff from the Community Development Department and Economic Development continue to work with Cupertino restaurants to issue Temporary Outdoor Dining Permits and to ensure safe outdoor dining. Dozens of Cupertino restaurants are currently offering outdoor dining.

- Staff continues to distribute disposable masks to local businesses and community groups for use by workers and residents.
- Two community engagement meetings were held on August 11 and 12 to discuss policies to regulate mobile service vendors. City staff from Economic Development and Planning gave a brief presentation and answered questions from participants. This item is scheduled to go to the Planning Commission in late September.

General City News and Updates

1. Safe Routes to School Group Seeking Student Representatives

The City of Cupertino is looking to fill two high school representative vacancies on the Safe Routes to School Working Group. One high school student each from Monta Vista High School and Homestead High School will be selected based on their passion for any of the following: walking, bicycling, or scootering to school; healthy lifestyles; safe transportation; or campus safety.

Selected students will attend monthly working group meetings usually held on the second Wednesday of the month, and will share their ideas and experience around education, encouragement, and engineering to improve access for safe walking and biking for students.

If you'd like to apply, send your completed application by Tuesday, September 1 to saferoutes@cupertino.org. For more information or to apply, please visit the [Safe Routes to School High School Representative Page](#).

2. Informational Workshop on Affordable Housing in Cupertino

The City of Cupertino's [Below Market Rate \(BMR\) Housing Program](#) offers affordable homes available for sale and rent. The City has programs requiring developers to provide deed-restricted affordable housing, and when those homes are sold by current homeowners or new homes are for sale, residents have the opportunity to purchase BMR homes.

On behalf of the City's BMR Program, [Hello Housing](#) will host a BMR Program Informational Workshop on September 14. The workshop will provide important information about the City's BMR Ownership and Rental Programs and how to join the 2021 Waitlist along with program requirements, eligibility, processes, and more.

Due to the ongoing COVID-19 pandemic, the workshop will be held virtually on Zoom. Join the workshop on Monday, September 14 from 6:30 p.m. to 7:30 p.m. by clicking [this link](#) and use the password 396316.

3. Blood Donation Appointments Available in Cupertino

Donating blood can help save lives. The Red Cross will host a blood drive in Cupertino on Tuesday, September 15 for those eligible to donate blood. To book an appointment, visit redcrossblood.org and enter sponsor code "Cupertino" or call 1 (800) 733-2767.

4. **Musical Motivations Concert Series**

The Cupertino Senior Center held its inaugural virtual Musical Motivations Concert on Wednesday, August 5. The performance featured Ankita Biyani, a local teen who wanted to share her love of music with seniors. Ankita's performance included Elvis, Broadway hits, and Chopin.

The second performance, held on Tuesday, August 11, featured The Harker School's Tri-M Musical Group. The performers, all high school students, shared their motivation behind picking the musical piece they would be playing before their performance. The hour-long musical performance included saxophone, violin, cello, vocal talent, and self-composition.

After each performance, the audience had the opportunity to engage with the performers. Keep an eye out, the Senior Center is working with Harker Tri-M on another virtual performance for December.

5. **#CupertinoCares Helps Prepare Students for School Year**

It's back-to-school time, and to prepare Cupertino students to start a new academic year at home, #CupertinoCares gave away 242 free back-to-school tote bags. Residents registered for a tote bag at reg4rec.org and picked it up in a contactless drive-thru at the Quinlan Community Center on August 20 and 21. Students received a tote bag filled with a notebook, glue stick, pencils, pencil sharpener, and box of crayons. The remaining 158 bags were given to families displaced by the local wildfires who used the Quinlan Community Center as a

temporary evacuation point or donated to West Valley Community services for distribution to families with limited resources.
