City of Cupertino

Dear Teen Commission, City Council, and whomever else it may concern,

I regretfully state that I am resigning from my role as a Teen Commissioner for the second year of my term. I applied to college this year and I was lucky enough to simultaneously apply to a few medical schools through programs called BS/MD programs. These programs are extremely selective (they're essentially accepting high schoolers into their medical school), and they require me to have one year of physics and four years of math. Because I finished math earlier than the rest of my peers, I'm completing my fourth year of math at a local community college. However, the math course takes place every Monday and Wednesday from 6:30pm-8:35pm. This unfortunately coincides with a majority of the Teen Commission meetings. The City Clerk has confirmed that leaving at 6:30 p.m. would be an absence, meaning this resignation is the only balance between the two conflicts.

I'm sincerely thankful for the City Council and the dedicated City staff for giving me this opportunity and responsibility. I've truly enjoyed every moment and will miss my position dearly.

I request that this letter is effective February 9th, 2021.

Thank you for your time.

Sincerely,

Nitya Devisetti
